General Election Polling Locations Are Open

NOVEMBER 6, 2018 JUNEAU – The polls are open for the November 6, 2018 General Election from 7 a.m. until 8 p.m. All eligible Alaska voters are encouraged to go to the polls and make their voices count.

Anyone who needs help identifying their polling location should visit the State of Alaska Division of Elections (DOE) [website](#) or call the Telephone Polling Place Locator at 1-888-383-8683 (Outside of Anchorage) or 269-8683 (Within the Municipality of Anchorage).

Alaskans planning to vote must remember to bring one form of identification, which can include: voter ID card, driver's license, State ID card, current and valid photo ID, passport, military ID card, birth certificate, hunting or fishing license. A voter may also use an original copy of one of the following documents if it contains the voter's name and current address: current utility bill, government check, bank statement, pay check, or other government document. If a voter does not have identification when voting, the voter will be asked to vote a questioned ballot.

DOE reminds voters that political persuasion is prohibited within 200 feet of any entrance to a polling place when the polls are open. This means there may not be any discussion or display of campaign items for candidates or issues appearing on the ballot at that polling place.
